

Yacht Broker Career Opportunity

- **Position available:** Experienced Yacht Broker with a minimum of 2 year's experience in both power and sail boats. An existing infrastructure is in place with a modern office right across from the Nanaimo Inner Harbor. Start off your business with an existing 23 Listings (at the time of this posting) in the Nanaimo area to get you started. Any listings that you bring with you will be a bonus. In addition you will have over 200 prospects in our data base with your name on them to begin working with. The successful candidate will be taking over from our broker who is moving out of the area.
- **Calibre Yacht Sales Inc.** www.calibreyachts.com is a well-established Brokerage with their main office in North Vancouver and Branch Office in Nanaimo. We use modern marketing technologies that have proven very effective; and have a compensation package better than most. The position comes with a fully equipped office, complete with a laptop loaded with the data base and all programs to help you operate as an effective broker. Numerous resources are also available on our central server connected to North Vancouver through a Virtual Private Network.
- **Location of work:** Nanaimo BC. Office is downtown right across from the Inner Harbour
- **Scope of work:** All aspects of developing and growing the existing market already started in Nanaimo and surrounding area
- **Compensation:** This is a straight commission opportunity with a yearend profit sharing program.
- **Contact information:** Please send your resume to Richard Evans, richard@calibreyachts.com
